

DEDES WATERFRONT GROUP (DWG) IS A COVID SAFE REGISTERED BUSINESS AND IS DEDICATED TO THE WELLBEING AND SAFETY OF ALL OUR GUESTS AND STAFF THROUGHOUT OUR VENUES. THESE VENUES INCLUDE: DECKHOUSE WOOLWICH & VIEW BY SYDNEY

We do this by-

- Creating a safe dining environment including limiting the number of guests and staff within our venue, social distancing our tables, and providing contactless payment options.
- Following NSW and Federal government instructions and guidelines our commitment is to stay up to date with all information to ensure safety.
- Hygiene & sanitising- the venue has strict hygiene protocols, increased cleaning and disinfecting, and provides hand sanitiser, at various points around the venue.

Conditions of entry-

All adult guests are required to sign in on our contactless sign in guestlist. There is a QR code and other options available at our entry points. This information will be securely and digitally held for 28 days, (and then automatically removed), as per the Government regulations, to assist with contact tracing.

Guests are not permitted to enter any Dedes Waterfront Group if they:

- are experiencing any flu-like symptoms (sore throat, runny nose, persistent cough, shortness of breath, fever);
- have been in close contact with a person who has tested positive for COVID-19 (during the period of time in which the virus is contagious) or reside or have visited a "hotspot" area in the past 14 days.
- are awaiting the results of a test for COVID-19;
- reside with anyone who is awaiting the results of a test for COVID-19;
- have returned from international travel and failed to observe the government requirement to quarantine for 14 days.

We request guests who are not subject to any of the above conditions for exclusion must be willing and able to agree to the following requirements to:

- leave the site immediately if they become unwell, after notifying a staff member;
- at all times, maintain social distancing measures (as per the NSW Health guidelines) with respect to other visitors and staff;
- maintain good personal hand hygiene by washing their hands regularly and thoroughly and/or using hand sanitiser;
- maintain good respiratory hygiene by coughing or sneezing into their elbow or a tissue, and then disposing of tissues immediately.
